

## **LIMITED WARRANTY**

Our Products are covered by a conditional, limited warranty to the original purchaser.

The products are guaranteed to the original retail purchaser against defects in quality or workmanship for a period of 12 months from the date of original purchase.

If products fail because of a manufacturing defect within 30 days of purchase, return the unit, with your receipt, to the retailer. After 30 days of purchase, but within the warranty period, if the unit was purchased within the UK, return it, postage prepaid, to Powerlink Products for repair or replacement. If the unit was purchased outside the UK, return the unit to the place of purchase.

This warranty does not cover damage due to operation other than the use of the correct model on the specified battery voltage, 12/24v.

This warranty does not extend to any defect, malfunction, or failure caused by accidents, misuse, abuse, improper installation, use of the product with equipment for which it was not intended, or unauthorised alterations or repairs, including the opening of regulator box.

All implied warranties are hereby limited in duration to the period of 12 months from the date of original retail purchase. Incidental or consequential damages arising from a breach of either express or implied warranties are hereby disclaimed and excluded.
